Students Vote For Banyan Celebrity Finalists Today

Preliminary voting for the Banyan celebrity contest took place in the student assembly this morning to prepare for the final adjudication which will take place next week. Previous voting has been conducted by the Y NEWS staff from the opening of the contest Tuesday until 5:30 Thursday night which marks the close of the voting period.

Contestants for the "most beautiful woman" were brought to the office, naming the following: Phyllis Eddy, Anna Bell, Hollie Hollingshead, Linda Crockett, Instructor, Brimhall; Linda Crockett, Eddie Farnsworth, Nora Ford, Adela Hales, Jaqueline Hall, Marlene Peterson, Little Rosemary, Lay, Severson, Eva May Stevenson, Ned Wakefield, for themselves and petitioned for Alice Johnson, Shirley Straub, and Frank Whiting were brought in. Another group of prettinesses was brought in by Coach Tom Charles Henderson, Clarence Taylor, Paul Thorne, and Coo Vacher were the most popular men on the names of the students. Linda Crockett, Donna Davis, Sarah Davis, Eleonore Kelli, Gertrude Partridge and Alberta Moshendahl are competing for the title of "most popular man." Jimmie Clark, Eddie Farnsworth, Eddie Farnsworth, Nora Ford, Adela Hales, Jaqueline Hall, Marlene Peterson, Little Rosemary, Lay, Severson, Eva May Stevenson, Ned Wakefield, for themselves and petitioned for Alice Johnson, Shirley Straub, and Frank Whiting were brought in. Another group of prettinesses was brought in by Coach Tom Charles Henderson, Clarence Taylor, Paul Thorne, and Coo Vacher were the most popular men on the names of the students. Linda Crockett, Donna Davis, Sarah Davis, Eleonore Kelli, Gertrude Partridge and Alberta Moshendahl are competing for the title of "most popular man."

A portion of the action consists of the 1000 students voting for the best pictures of the winners of this contest in every department. Three beauties will be chosen at the top of the list, three beauties will be chosen at the bottom of the list, and three beauties will be chosen at the middle of the list.

An additional year of respect in the contest was the handsome man contest which is without precedent in the history of the Banyan celebrity contests. That the innovation is a happy one is indicated by the number of petitions that have been submitted asking for this distinction—handsome man.

Blondes, brunettes, "salt-wavers," short girls, tall girls, girls who are running or running for the name of being named beautiful lady, while men and women of every size and description are competing for the distinction of popular man and woman.

Try-outs for the contest were held Tuesday at 7 p.m., then three participants and two were chosen for the competition. The try-outs were to be judged by the public speaking class.

Musical numbers were given by Grinnell, Mrs. A. S. Dusenberry, and Wilma Royle, piano, Jay Bachelder, cello and Wanda Petty, violin.

Y—

454 NUMBERS GIVEN IN P. S. B. PROGRAMS

At the beginning of the New Year, a total of 53 hours and 55 minutes had been given in P. S. B. Service programs, 100 hours in P. S. B. Give and 291 hours in ticket sales.

During the month of January, twenty-two programs were filled. There were 100 hours for the Give and 140 hours for the tapas. Payson having had two, Spanish Fort, two, Springville, one, Lodi, Ord Ward, one, and the rest centered around Provo.

These programs have brought the hours up to 695, with 454 selections presented and 291 hours in ticket sales.

Several new students have joined the group. P. S. B. participants, and any others who wish to get the experience of giving and receiving, are invited to the directors, who will be glad to ready the name to the proper department head.

The Y NEWS heartily trumpets the banyan in one unalloyed, unoriginal, uncritical gesture. To aid and abet and supplement the celebrity contest being conducted by the Banyan, the Y NEWS announces its complete student contest. (You know, cellulose because he's cellulose.)

On the blank line below sign the name of your choice for this office, tear it out, and place it in the box placed in the hall of the education building for that very purpose.

I propose the name of _____ for celibate student of the Brigham Young University for the year 1929-30.

I solemnly swear that I believe him dead at all the fair virtues of human thought and action and believe him incapable of acts of mercy toward poor, helpless birds fallen from their nests, and the like.

Students who have already been nominated for this doubtful distinction are Rosy Snow, Jean Paulson, Lowell Johnson, Grant Thorpe, and two female members John E. Hayes and Keller Sauls.

Voters are not restricted to this list. Cast your ballot for anyone you wish.

H. S. FEATURES LATE WAR IN ASSEMBLY

Using as a theme, the recent world war, the European history class at the High School gave a dramatic and original program in the regular assembly last Wednesday, February 4.

The program was as follows: An explanation of the changes in the European situation; the entry of America into the war; the参謀 General's Report and Tricolor Rule; and ended in anticipation of the series of baseball games between the United States and the basketball teams of Montana State College and Brigham Young University.

This was the first game scheduled to be played tonight in the Bobcat Gymnasium.

B. Y. U. students were asked to come to the gymnasium early Saturday night with a convincing record over Montana Mines and are in the peak of condition for the important game with the Bobcats.

Expressions of the personnel of the B. Y. U. indicated that the series would be a hard-fought one.

The program is to begin at 8 o'clock.

Admission is 50 cents for adults and 25 cents for children under 12.

Try-outs for the contest were held Tuesday at 7 p.m., then three participants and two were chosen for the competition.

The try-outs were to be judged by the public speaking class.

Musical numbers were given by Grinnell, Mrs. A. S. Dusenberry, and Wilma Royle, piano, Jay Bachelder, cello and Wanda Petty, violin.

Y—

PARTRIDGE, KERR ARE ROTARY FINALISTS

Gertrude Partridge and James Kerr were the finalists for the Rotary Club contest held this morning at devotional.

The contest was sponsored each year by the Rotary Club of Provo, which is composed of the business and professional men of the community.

The program is to begin at 8 o'clock.

Admission is 50 cents for adults and 25 cents for children under 12.

The program is to begin at 8 o'clock.

Society

Social Unit 102 Plan Extensive Activities

Numbers of Social unit 102 which includes all girls of the Bright Young Club, will be active with the organization in preparation for an extensive program.

Immediately objectives of the unit include representation on a page of the Bulletin, a Valentine party, and a dance at the end of the month.

Leaders of Unit 102 say that their programs will need the cooperation of every girl in school who is not connected with another unit.

A. K. P. Hold Meeting

Alpha Gamma Phi members met at the Y Club Tuesday evening and enjoyed their regular business meeting and a luncheon. The business discussion was presided over by President Ted Hansen. Twenty members participated.

Y

Fountain Green Reunion Planned

Students and townspeople who were at one time or another resident of Fountain Green are invited to the Fountain Green reunion which will be held at the Manava this evening at 8:00 p.m.

The entertainment will consist of a program, dancing and refreshments.

For all those over twelve years of age a small charge will be made.

Y

FIARIS TO HOLD FESTIVAL

The Friars will hold their annual formal party at the Manava Wednesday evening, February 8. Several members from other chapters will be in attendance.

Y

MAUGHN ENTERTAINS

Miss Elsie Maughn entertained a group of girls last Sunday afternoon at her home. A musical program was enjoyed after the meal. Guests served in the Kitchens Olive Rutherford, Farris Swapp, Helen Altemann, Ethel Crowley, Clara Moore, Donna Morris, Dorothy Gandy, Lydia Smith, Shirley Smoot, Ethel Snow, Eliza Nelson, Gwen Nelson, Oliver Guymer, Elaine Crofter, Lucille Maughn, and the hostess.

Y

Pitiful Romance Is

Depicted By Writer

"Speaking of rich kids who are Broadway bidders," relates Walter Windisch in his "Broadway Novelties," "there is a most pitiful romance between a rich girl who has been promised a screen test and a Ziegfeldian. The girl has been the sweetheart of a cuse owner for three years. He recently went to New York to have his picture taken and only goes out with others to break the monotony of being neglected."

"The Princeton, whose parents are very rich, fell in love with her but a Hollywood girl who has been promised a screen test. The other who brought her to the meet was a diamond which he valued at ten thousand dollars. The next day he proposed marriage."

"He's going to tell me she said to me, 'I'm all that, and he even wants to marry me. Look at this mess of ice he just gave me!'

"What?"

"Oh, Walter, I didn't know to make me this time. I'm not accustomed to this sort of thing. I got to have a little more gumption, you know."

"And she actually started to cry!"

Y

PYGMALION

(Continued from page 1)

away. He went to her again, slowly put his arm around her. She did not say a word! She did not react! One thought had gone through her mind—She had been born to have had cast the statue to the stage.

The play is a very interesting mystery. It shows how Pygmalion comes to life and causes some really interesting situations. You see the sculptor already had a wife.

The very capable cast under the

direction of Mr. and Mrs. Clegg

is sure to give you a good show.

Y

Tchaikowsky Music Is America's Type

It is probably because of the fact that a considerable part of America possesses physical and dramatic conceptions of Tchaikowsky that the works of Russian composers are more readily appreciated in America than in some countries where the music is more highly refined, the taste more refined, and the more exquisitely moods of nature in America are well prepared for by Tchaikowsky.

This largely explains why the name of Tchaikowsky appears so often in discussions in particular in Europe where the musical element is more fully developed.

He has studied music at the Royal College of Music, showed great talents. At first he was an ardent admirer of the Italian masters, but later turned to the French and German masters, and developed an attraction for the German school. The works through which we now know him are his own, however, for he was many themes which are strictly Russian, although distinguished from the so-called New-England school by the cosmopolitan treatment which he gives them national themes.

It is the popularity of Tchaikowsky's popularity in America; while we acclaim him one of our favorite composers, relatively little is known about the man himself, who because of his compositions, would criticize the New-England Russian than of their own growth.

Y

YOUR TEMPLE OF LEARNING

(Song submitted by Leadership editor C. W. Swanson, Mount Pleasant, Iowa. Used by permission of the YWCA.)

When nature has bestowed upon you

and their mothers gladness the eyes

of your parents, the joy of learning

An evanescence of truth stands the Y.

Fair fanned by the wind of truth, Why God

wants only the right.

Graceful, in humble devotion,

Loving, quaff at your found with de-

light.

Y

Chorus:

Now truly this Y stands for you

Y will likewise stand for the U.

Opportunities golden will come unto you.

If it is true if the U is the U

To the world and the truth you'll be true.

Take freely, nor vintage more chame-

At her fountain of truth nor too late.

For truth will give clearness to vision.

Only vision and truth make man-

kind. It is this mother of learning,

Evangel of virtue and light;

It is this fountain of truth as supernal.

Fresh gold while you may with

your might.

able direction of Mrs. Morley, seen in

new costumes against new scenery

and new to the eye. The production

promised to be the most elaborate

and finished presentation of the year.

The first night the cast to my mind

was excellent, and the audience

applauded the curtain call.

Magazine Collection Completed

The only complete set of the "Mag-

azine Collection outside of the library's

office is in the B. Y. Library. The

magazine which first appeared in

1880 is the first magazine of its kind in the world.

There is also a complete file of the

magazine which began in 1880 and

changed in 1888 and changed again in

1890. The magazine is now known as

"The Improvement Era."

This publication closed last year with

the change in name.

Prof. M. Wilford Poston selected

a group of second hand books for the

library. This list contains many

books which have been well received

in the past. Another early book is a

Cougars And Redskins Will Tangle In Dual Wrestling Meet; Men's Gym Saturday

Utah Has Formidable Team to Throw Against Inexperienced Young Bouts to Begin Seven Thirty Sharp

B. Y. U.'s wrestling team will swing into action for the second time this year Saturday evening against the powerful University of Utah team here Saturday evening at seven thirty in the Men's Gymnasium.

The arrival of a new member to the coaching staff of the Young grizzlies will be with great interest next Saturday night when the results of the new addition will be known.

Here is what a coach-sport writer had to say in this column about the situation:

"B. Y. U.'s athletics seems to be minus quantity this year. One would almost be inclined to say it is minus athletes."

There was a tennis tournament held recently, and another one is planned for May 11. The listing schedule was out on the bulletin board so long that all the edges were ranged - still were not played.

That must have been a walk away for some social unit.

As far as mentioned basketballs, there is no basketball. Oh yes, in February. It has been whispered that the Bears have a team that is not too easy for them.

Is it lack of ambition on the part of the girls or is it lack of organization? The Mallet Trophy should be worth working for a good cup.

And football is doing something about back-breaking riding as a fall and winter sport. What must have fallen

Say who is sponsoring girls' sports anyway? Ah! did I hear someone say W. A. A.? Now what do you think of that?

As far as athletics is concerned this summer might just as well be spent in a prep-educational institution. That is, all athletics seems to be for men. Here is what a coach-sport writer had to say in this column about the situation:

"B. Y. U.'s tennis tournament is the beginning of May. The listing schedule was out on the bulletin board so long that all the edges were ranged - still were not played.

Y High And Pleasant Grove Tangle Tonight

Pleasant Grove's high school will meet a determined and determined bunch今晚 Friday. They invade the Wildcat's lair. The Pleasant Grove boys will be the ones to have their backs to the wall when they beat the strong Levi team last week and because of this they are in the lead.

This advantage has met, however dampened the wonderful spirit which the Y boys have shown and they will be out to prove that they can still win.

An exceptional game is in store because both teams use a fast passing offense.

A large crowd of Pleasant Grove students is expected and the local school will be there to the last man.

WINTER CARNIVAL

(Continued from page 1)

Winter Carnival has been prepared by the students having the largest per cent of its members present at the meeting. Dr. W. P. Cottam will conduct three short meetings.

Annual Since 1923

The winter frolic has been an annual affair since 1923 except 1925 and 1929. The present year, therefore, marks a number of years in the history of the event. The Physical Education Department has taken a leading role in the planning of the winter carnival in the past. This year they have the cooperation and support of the faculty, students, parents, who will appropriate money to help finance the affair, and the Provo Chamber of Commerce who have twenty delegations. Those in charge are working to make it a community affair.

The Physical Education Department has secured enough equipment to accommodate fifty students in no time now. The Central business office has a stock of sugar, skin, or other accessories.

Events Are Outlined

The events of the day are outlined as follows:

- All day: Games, Y games; 10:00-11:30: Basketball, 11:30-12:30: Haggis races, 2:00-3:00: Hand height races, 2:00-3:00: Snowball fights, 4:00-5:00: Picnic, 7:00-Dinner.

Y SECONDS TAKE OVER TIME GO WITH MINES
In Extra Period to Win
36-30

Buite, Mont., Feb. 7 (Special) - Using a second string lineup through out the contest the B. Y. U. basket ball team won the game against Mines from Montana School of Mines here last night by the score of 36-30. On the court, Cougar manager, saved his regulars for the final period. Bill Magley, for the last three minutes of play when Balliet went out on material on the Lionhead League.

The Cougars substituted ball through the regular playing period with an equal in the Mine's first five minutes. Balliet, the Mine's guard, was ejected for excess foulings and Magley, the only regular to start, was the star of the show. The score at this point was 26-26 for the Cougars. Balliet and the count went up from seven seconds before the end Magley and the count with a loop from the floor.

B. Y. U. was far too speedy and easily outdistanced Mines in the extra period. Staglin, the Mine's forward, was high point man and led best for the Cougars with thirteen points to his credit. Berryman was the Mine's most dangerous man and totalled ten points.

The Cougars prepared to Bowman the game and came out with a series with Montana State, Rock Mountain Conference champions, which will arrive tonight. It was for the games that the Cougars must have seen his regulars in last night's affair.

It is hard to make a mark without aiming at it.

down, sit down in front!

Hardened Case—"A man tried that once and broke his back."

MONTANA, G. U. ARE FAVORITES IN HOOP RACE

Last Year's Division Champs Set Pace In Respective Divisions

TEAM STANDING

Team	Won	Lost	For	Against
Colorado U	2	0	143	100
Denver U	5	3	625	500
Montana College	2	0	560	450
Wyoming	4	3	571	450
Colorado Teachers	4	3	550	450
Western State	2	4	321	280
Utah	2	4	300	280
Colorado Aggies	2	0	280	260

Two games of the last half have been surprising, compared with the first half of the schedule. The power has been born by each of the Lions and the Aggies.

Upsets Due to Brilliant Playing

The sports have been due partly to the brilliant playing of the varsity teams. The two best teams in the division were featured players in high school and all prominent of all had a remarkable birth on a high school line.

It makes one wonder how a coach can choose not to men from the white school who are superior to any other five. Many of the obscure schools have been beaten by the more prominent teams.

Orchestra Concert

February 13-14

The University Auditorium is to have a new stage on February 13-14. This stage has been subjected to some very technical tests, and is considered to be the best stage in the country.

The stage is to be built on the college grounds, and the auditorium will be open to exhibition on college hall February 13 and 14.
